STATEMENT ERRORS AND DISPUTED ITEMS

If you would like to dispute a transaction or suspected an error on your account statement please visit our website at www.mbna.ca/disputes to find helpful information on how to submit your dispute, including a copy of the transaction dispute form. If you require further assistance, please call **1-888-876-6262**. To dispute a transaction or suspected error on this statement, you must submit a transaction dispute form (or letter with the required information) to MBNA, by Fax to **1-877-839-6262** or mail to MBNA P.O. Box **9614**, Ottawa, ON K1G 6E6 within **60** days after the Statement Closing Date of the account statement on which the transaction or suspected error appears. Otherwise, the statement will be considered accurate (except for any amount which has been improperly credited to the account) and you may no longer make a claim against us in respect to any item on the statement. Subject to the Account Agreement, if you contact us as required by submitting a transaction dispute form in writing by mail to us, we will take reasonable and appropriate steps to provide the information you requested or attempt to resolve the dispute.

Understanding your account

This is a summary of certain terms applicable to your account and has been included for convenience only. Please see your Account Agreement for complete details.

LOST OR STOLEN CARDS AND UNAUTHORIZED USE

If you have lost your card or any other Credit Device, suspect that it has been stolen or suspect unauthorized use of your account, personal identification number (PIN) or other security code, you must call us immediately at **1-888-876-6262**. Please refer to your Account Agreement for information on your liability for lost or stolen Credit Devices and unauthorized use.

CREDIT AVAILABLE, CASH ADVANCE LIMIT AND CASH ADVANCE AVAILABLE

Your Credit Available and Cash Advance Available shown in the "Summary of your account" section of your statement do not reflect transactions or payments made after your Statement closing Date.

Depending on how your payment is made, your account will generally reflect a payment within **1** to **5** business days following receipt of your payment. Your Cash Advance Limit is the maximum advance of credit that you can obtain by way of a Cash Advance, including interest on such items.

MINIMUM PAYMENT DUE DATE

The Minimum Payment Due Date is always at least **21** days from the last day of the previous Statement Period (the "Statement Period End Date"). This time period may extend depending on your payment activity. For example, if we do not receive payment in full of the New Balance minus your total Payment Plan Balance, plus your total Monthly Plan Payments that are due this month ("Grace Period Payment Amount") on or before the Minimum Payment Due Date, your next Minimum Payment Due Date will be **24** days from the Statement Period End Date. Applicable interest continues to apply during this period. When we receive the payment of your Grace Period Payment Amount in full on or before the Minimum Payment Due Date, this time period will revert to **21** days. If the Minimum Payment Due Date falls on a Saturday, Sunday or holiday in Canada, we will extend the Minimum Payment Due Date to the following business day and applicable interest will continue to apply during this period. Note, if you do not have any Payment Plans, your Grace Period Payment Amount and New Balance are the same.

PAYMENTS ON YOUR ACCOUNT

Payments made by cheque or money order must be made payable to "MBNA". In order for your account to remain in good standing, please pay by the Minimum Payment Due Date shown on the front of your account statement at least your Minimum Payment, or if you have any Payment Plans please pay your Required Payment (which is your Minimum Payment less any Monthly Plan Payment Amounts due this month). Failure to make your Minimum Payments, or your Required Payments, if you have any Payment Plans, may result in an increase to your interest rates through the loss of any promotional interest rates, a change to your standard rates, and/or a cancellation of any Payment Plans. We will generally credit payments to your account as of the date received by us or our agent as long as the information required to process the payment is included. Payments may take several days to reach us. Please ensure you choose a payment method that results in your payment being received by us by the Minimum Payment Due Date.

ESTIMATED TIME TO PAY

In calculating the "Estimated Time to Pay" on the front of this statement, we have made certain assumptions. For complete details on these assumptions please see your Account Agreement and, if applicable, the terms and conditions for any Payment Plan you have accepted. Paying more than the Minimum Payment will decrease the amount of interest you pay and reduce the time it takes to repay your balance.

INTEREST ON CASH ADVANCES, BALANCE TRANSFERS AND ACCESS CHEQUES

You will always be charged interest on cash advances, balance transfers and access cheques from the date such transactions occur.

INTEREST ON PURCHASES

You will not be charged interest, for a minimum of **21** days ("grace period") on:

1) a new purchase (unless you subsequently put it into a Payment Plan) if you pay the Grace Period Payment Amount in full by the Minimum Payment Due Date for this account statement. If you do not pay the Grace Period Payment Amount in full by its applicable Minimum Payment Due Date, you will lose your grace period and will be charged interest on each such new purchase. Applicable interest on new purchases will appear on your next account statement and will be charged retroactively to the transaction date of such new purchases until we receive payment in full for the total amount that you owe on your account, excluding future Payment Plan payments not yet due.

2) a new purchase that you put into a Payment Plan, if you pay the New Balance of this account statement by the Minimum Payment Due Date for this account statement.

Note, if your Payment Plan(s) have an annual interest rate of 0%, you would only need to pay your Grace Period Payment Amount (not your New Balance) by the Minimum Payment Due Date in order to receive a grace period on new purchases you have put into a Payment Plan.

INTEREST CHARGES

If interest is charged on any portion of your New Balance, it is determined by multiplying the total interest-bearing portions of your New Balance at the end of each day by the interest rate for the period in question (or, if different interest-bearing portions of your New Balance have different interest rates, by the daily interest rate applicable to each portion). The daily interest rate is the annual interest rate divided by **365** or in the case of a leap year **366**. If any daily balance is less than zero, we treat it as zero. Interest is calculated daily and added to your account balance at the end of each Statement Period to form your New Balance. Note that the "Balance Subject to Interest Rates" column set out in the "Interest Information" section on page **3** of this account statement may include purchase transaction amounts subject to an interest-free grace period. In calculating your "Interest Charges by Transaction Type", all purchase balances (and their applicable interest rates or grace period, if any) have been factored into the calculation.

HOW WE APPLY PAYMENTS
